Detroit, Mich., Sept. 8.—Detroit again beat St. Lohis to-day. The score was 1 to 0, and the winner was a guess until inning No. 3 had come and gone. With a little luck; Harry Howell might have changed the result. Had any one of the various gents injected one clean single into either period, fifth or sixth, Harry could have overlooked Detroits one tally and won. That was how close it was, Killian's steady singing won for Detroit.

There was no great excuse for the one tally. For some reason, early in the game Mr. McAleer derricked Rockenfield, his Western wonder, and substituted at second another of the 19th crop of phenoms, Mr. Koehler. Opening the fourth, Crawforth hit one at Koehler that the latter gathered in, but he threw wild and Jones dropped the toss, hence Sam was safe. He stole second, made third on Lowe's out, and came home when O'Leary hit a fly into right field that dropped fair by less than a foot. At divers other times there were eleven Tigers on the sacks, but none reached third base.

Two innings gave to Mr. Killian all his Two innings gave to Mr. Killian all his troubles. In the fifth Spencer hit to right and he and Howell were safe on the latter's high bounder to O'Leary. Stone's sacrifice bunt was a foul to Drill, while Van Zant struck out. Frisk was walked, filling the sacks. Wallace was up, but a remarkable catch of his foul fly by Lind-any ended the inning.

remarkable catch of his foul fly by Lindsay ended the inning.

In the next round Gleason singled, and went to third on Koehler's double to left. Spencer hit to Killian, and while Gleason was being run down the other pair took third and second. Howell with two safeties to his credit had a chance to put his side in the lead by a third thump. But he hit at three and it was off.

They made a dying rally in the ninth, spencer hitting and taking second on a sacrifice. Stone hit to Killian, and Spencer was out at third. Roth, batting for Van Zant, fanned.

It looked like a repetition of the abortive spurt of the Browns after the Cardinals-Cubs game yesterday. The Browns played well until they had an off day, and then it was all off. The Cardinals made Cincinnatt look worse than the proverbial deuce, and along comes Chicago after a couple of free days and the Cardinals follow the Brownies. The League Park inds lost the opening game to Chicago, 5 to 2.

"Buster" Brown, the mainstay of the Cardinal flingers, had a decideally off day. He was wilder than a hawk. The Omaha lad long his own game. He threw it away by heaving wildly over Beckley's head allowing two to tally in the third innine. He passed poorly to the, "Sege" in another inning, which permitted the fleet-footed Mailoney to skirt the diamond on the throw.

Mr. Brown's second serious breach of pitching rules was the number of passes he issued. "Buster" Brown badn't had my complimentaries in a week, and the fever pressed him so severely that he doled the ducats out to the Chicago players. "Buster" Brown hadn't had my complimentaries in a week, and the fever pressed him so severely that he doled the ducats out to the Chicago players. "Buster" The Cubs did not have much trouble getting around the sacks eight times on "Buster" and his pals.

Only once the Cardinals gave signs of their work before the vacation. Two doubles, a triple and a single were the sum of their efforts in one inning, and the magnificent total of two runs was the product. The triple was wasted, as no one was on base and "Levi" Leaby was left to die.

Three of the passes issued by "Buster" develored into runs. On the base the

product. The tripie was wasted, as no one was on base and "Levi" Leahy was left to die.

Three of the passes issued by "Buster" developed into runs. On the bases the Chicago crowd excelled the lecals and in laying down bunts they showed much proficiency. Jake Weimer vitched a good game and only in one inning was he touched up for more than one hit. Chicago bunched theirs in the third, fourth and fifth innings. After that the Cardinal flinger-settled down and allowed one hit in four innings.

Beckley scored Dunleavy in the first inning by a timely rap to left with the "Skeeter" at third. Shay drove two more home in the sixth after Smoot had singled, and Beckley doubled to left. Dan's wallop went by Biagle, but he was caught trying to flich third, and Leahy's triple a moment after was wasted.

A pass, a hit and a fly to the outfield put one over for the visitors in the first inning. Brown's wild heave by Beckley, after Casey had bunted, filling the sacks, sent two more home in the third and Chance tallied while Dunleavy and Meloney and Hoffman. A pass, Weimer's double and Slagle's single in the fourth scored two more. Chance's double and Maloney's single in the fifth scored another in the fifth and Maloney tallied again in the seventh on "Euster's" heave to the pavillon.

PROTEST AGAINST FOOD CONTRACT IN PANAMA.

Firm of Hudgins & Davis of New York Lodge Complaint With Roosevelt in \$50,000,000 Contract.

REPUBLIC SPECIAL.

New York, Sept. 8.—Telegregis protesting against the award of a contract, the estimated value of which is \$50,00,00, for housing and feeding Fanama Canal employes were sent to Preshiem Roosevelt to-night by two New York firms, who allege collusion, favoritism and iregularity in the treatment of bidders. That sent by Hudgins & Davis says, in part:

"In the public interest we carnestly appeal to you to direct the chairman of the testimian Canal Commission to withhold the award to J. E. Markel of Omaha, Neb., for certain concessions for conducting hotels, boarding camps and commissary stores on the Isthmus of Panama. These concessions are the most important of the kind ever granted by the United States Government, involving a business which, it is estimated, will aggregate the enermous total of \$50,000,00 for the term of the contract.

"Circumstances connected with the awarding of this privilege seem to indicate collusion, one entire section of our hid having, as we discovered by examination yesterday, been credited to Mr. Markel as an original production, while the precipitancy with which bids were called for, without public aivertisement and with no regular time set for receiving and opening bids in the presence of the bidders, warrant us in the assumption that a predisposition existed to award the contract to Mr. Merkel and that other considerations were sacrificed to this end."

siderations were sacrificed to this end.

If Patfo & Co., another bidder, also sent a tolegram to the President, over the head of Mr. Shonts. There were only three bids for the contract.

BODY OF EPHRAIM B. EWING EXPECTED HERE TO-DAY.

Committed Spicide in Butte.

Committed Saicide in Batte.

The body of Ephraim B. Ewing of St. Louis, who committed suicide in Butte, Mont., last Tuesday by shooting himself, is expected to arrive here some time today. It was announced last night by a relative that the funeral would be private and only immediate members of the family, who are in St. Louis, will attend.

Should the body arrive here during the day it is likely that it will be taken at once to Bellefontaine Cemetery for burial. No definite arrangements have been made. Mr. Ewing was a brother-in-law of Seasor Cockrell. He had spent the greater part of the sammer in Montana and Yellowstone Park, but his relatives did not know it, thinking that he had gone to Alaska, as he had intimated. At one time he was prominent, but of late years he had been in poor health and had been traveling about the country.

In 1985 he was editor of the Jefferson City Tribune. He was appointed Consul General to Mexico by Cleveland, but during his sojourn there he had a sunstroke and resigned. Since that time his health had not been the best and it was to his ill health that frierds attribute his motive for killing himself.
